

T or C Animal Shelter Foster Parent Application

T or C Animal Shelter is dedicated to meeting the needs of homeless animals in our community regardless of age, breed or history. Foster homes allow us to save more lives by placing animals in a home rather than at the shelter. Once in the foster home, the animal can be evaluated, and specific care strategies can be designed for them. The animals have the opportunity to learn and grow with the special attention the foster parents provide. We very much appreciate your help!
