

Healing Waters Trail
Rotary Park Wetlands Concept Plan – Feedback Questionnaire

From downtown, the Healing Waters Trail will connect with Rotary Park and the associated wetlands. In May 2008, community members participated in a Wetlands Restoration Workshop, in which they, along with ecologists from the Bosque del Apache, provided ideas for restoring the wetlands and expanding Rotary Park to encompass the wetlands. From these ideas, a concept plan for the park and wetlands was produced in draft form.

Once you have looked at the Rotary Park Wetlands Concept Plan, we would like to know:

1. Should Rotary Park be expanded to encompass the Wetlands?

Yes _____ No _____ Comments _____

2. If so, do you think the wetlands should be restored to include only native vegetation and enhanced wildlife habitat?

Yes _____ No _____ Comments _____

3. Do you think the wetlands should include:

- | | |
|---|--------------------|
| ▪ Walking/Biking paths around its perimeter? | Yes _____ No _____ |
| ▪ Boardwalks through the cattail and willows? | Yes _____ No _____ |
| ▪ A bird-blind shelter for wildlife viewing? | Yes _____ No _____ |
| ▪ Benches and shade structures? | Yes _____ No _____ |
| ▪ Interpretive signage about wetlands ecology? | Yes _____ No _____ |
| ▪ A bridge across the outflow to connect with the Healing Waters Trail as it continues along Riverside Drive and up Veterans Park hill? | Yes _____ No _____ |

4. What other features would you like to see in the wetlands?

5. Do you think an expanded section of Rotary Park should include:

- | | |
|---|--------------------|
| ▪ Willow swales and other native plantings? | Yes _____ No _____ |
| ▪ A large shade structure for picnics & events? | Yes _____ No _____ |
| ▪ A terraced path along the river bank leading to fishing piers? | Yes _____ No _____ |
| ▪ Benches and small shade structures? | Yes _____ No _____ |
| ▪ A ramp for river access for non-motorized boats? | Yes _____ No _____ |
| ▪ Handicapped parking and access? | Yes _____ No _____ |
| ▪ Additional visitor parking in a new lot near the bend in Riverside Drive? | Yes _____ No _____ |
| ▪ Doggie waste stations? | Yes _____ No _____ |
| ▪ Directional and/or informational signage? | Yes _____ No _____ |

6. What other features would you like to see in an expanded Rotary Park?

**Healing Waters Trail
Veteran's Memorial Park HILL Trail Options – Feedback Questionnaire**

From the wetlands park the Healing Waters Trail could connect to Veterans Memorial Park. Two routes are being considered:

(A) Route paralleling west side of Riverside Drive and climbing hill near the City green waste yard.

(B) Route would steeply climb hill on old road bed and follow old paths along the top edge.

We'd like to know:

1. Would you like to see one or both routes developed?

Route A yes no

Route B yes no

2. What kind of surfacing is needed for (circle one)

Route A -- natural, hardened dirt, crushed rock, asphalt or concrete

Route B -- natural, hardened dirt, crushed rock, asphalt or concrete

3. Do you think the trail routes should have

- | | |
|-----------------------------------|--|
| ▪ Rest areas w/ benches and shade | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ lighting | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ directional signage | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ informational signage | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ doggie waste bags | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ fitness stations | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ trash receptacles | Yes <input type="checkbox"/> No <input type="checkbox"/> |

4. Who should get to use the trails?

Route A

- walkers
 runners
 bicycles
 wheelchair users
 stroller pushers
 others

Route B

- walkers
 runners
 bicycles
 wheelchair users
 stroller pushers
 others

5. What other features would you like to see along the trail to Veteran's Memorial Park?
