

**Healing Waters Trail
Veteran's Memorial Park HILL Trail Options – Feedback Questionnaire**

From the wetlands park the Healing Waters Trail could connect to Veterans Memorial Park. Two routes are being considered:

(A) Route paralleling west side of Riverside Drive and climbing hill near the City green waste yard.

(B) Route would steeply climb hill on old road bed and follow old paths along the top edge.

We'd like to know:

1. Would you like to see one or both routes developed?

Route A yes no

Route B yes no

2. What kind of surfacing is needed for (circle one)

Route A -- natural, hardened dirt, crushed rock, asphalt or concrete

Route B -- natural, hardened dirt, crushed rock, asphalt or concrete

3. Do you think the trail routes should have

- | | |
|-----------------------------------|----------------------------------------------------------|
| ▪ Rest areas w/ benches and shade | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ lighting | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ directional signage | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ informational signage | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ doggie waste bags | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ fitness stations | Yes <input type="checkbox"/> No <input type="checkbox"/> |
| ▪ trash receptacles | Yes <input type="checkbox"/> No <input type="checkbox"/> |

4. Who should get to use the trails?

Route A

- walkers
 runners
 bicycles
 wheelchair users
 stroller pushers
 others

Route B

- walkers
 runners
 bicycles
 wheelchair users
 stroller pushers
 others

5. What other features would you like to see along the trail to Veteran's Memorial Park?
